

Make a traditional Fenland Wise Woman's Cure

As they did not have doctors, a long time ago, people in the Fens would visit the local Wise Woman to get cures for illnesses and accidents. The Wise Woman would suggest cures we cannot find at the doctors or pharmacist today! Some things were eaten, placed on the skin or had to be buried in the garden to work.

What would you include in your cure?

This is a cure for a
A BROKEN TOE

Take the

And mix it with
