

Design a

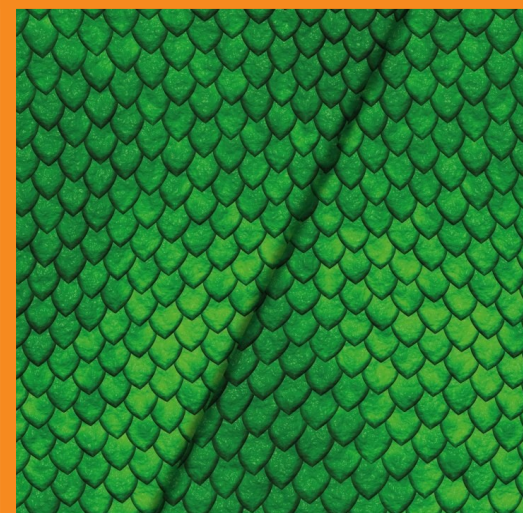

DRAGON

Have a go at designing your own dragon! Will you take inspiration from an ancient Chinese or Greek dragon or perhaps from a dragon that features in a myth or legend? These are some of the features your dragon could have:

Skin

Thick, leathery skin, covered in scales!
What colour will your dragon be?

Claws

Scary claws are a common feature on dragons - will yours have them?

Eyes

Piercing eyes help the dragon see! Will it have the same colour eyes as you?

Wings

Big or small, your dragon will need wings to help them fly!

Breathing fire

Can your dragon breath fire or does it dance like a Chinese dragon?

Tail

Will the tail be long, short, thick or thin?
Will it be covered in spikes too?

Design a

DRAGON

My dragon is called: _____
