with  
Ely Museum

A cartoon pirate character wearing a black hat with a skull and crossbones, a red bandana, a red and black striped shirt, and a sword. To the right is a wooden pirate ship with a skull and crossbones on its sail.

Have a go at making your own treasure map for your house or bedroom & remember to hide some treasure to be found! Watch our craft video on Facebook to learn how to make your own treasure chest too. Remember to include some landmarks on your map to help people navigate your map - if you don't have a crocodile in your living room, you could include your sofa instead!

## My treasure map

A large, empty rectangular box with a thick black border, intended for a child to draw their own treasure map.
